## Studfold

### Caravan and Camping Park

#### Shop

Please check the noticeboard for opening times.

We stock a selection of groceries, ice creams, soft drinks, toys and gifts. Milk is available if ordered from reception the previous day.

#### Toilet block

**Code: C 06 XY**

Young children must be accompanied by an adult.

Hot water is free but please use sparingly. Please wash dishes and clothes in the deep sinks outside and leave all areas as you wish to find them (if necessary mop showers when finished). Please make sure the door is locked behind you when leaving. The laundry and freezer are at the back of the toilet block.

#### Water and waste

Drinking water is located down the nearside of the toilet block. Waste water should also be emptied here and not into the Elsan. Chemical fluids should only be placed in the Elsan disposal unit at the far side of the toilet block.

#### Recycling

All recycling can be placed in the large waste bins; trade waste is sorted and items for recycling removed.

#### Consideration for others

To ensure that everyone enjoys their visit to Studfold, we request that all visitors observe the following park rules. Please...

- do not play radios loudly
- keep noise to a minimum after 11pm
- keep your dogs on a lead, walk them off-site and ensure you clean up after them
- use the allocated play area for ball games
- do not allow your children to ride bicycles around other guests' pitches or near the toilet block
- do not climb on walls and fences
- do not use flying fire lanterns
- do not light ground fires of any sort or cause any harm to the environment
- do not smoke in, or take dogs into or around, the toilet block.

The static caravan park is a private area which is out of bounds for touring visitors

Any serious breach of the park rules will result in you leaving the site immediately with no refund.

There is also no right of way from the camping field to the gorge or to Middlesmoor Road. Please access via the road. We also request that you do not walk through the static caravan park.

If you would like advice about local walks, just ask at reception or take a picture of the walks displayed on the toilet block wall.

## Dogs

Dogs are welcome but must be kept on a lead at all times and exercised off the site. Fields with suckler cows are to be avoided, as the cows are very protective of their calves and may attack people with dogs.
